1. Definitions; agreed terms: The term “Buyer” means ALUDIUM or any company that is (a) a subsidiary or an affiliate of, or is related to ALUDIUM and (b) the entity procuring goods, or for whose account goods are being procured, hereunder. The term “Supplier” means any individual, corporation or other entity that is to perform, or provide the goods, under this Purchase Order. Purchase Order (“PO”) means these General Conditions of Purchase, the Purchase Order and any other documentation which is specified in the Purchase Order. The term “goods” means all items, materials, equipment, labor or other services that are the subject of this purchase.

Where these Terms and Conditions are attached to a contract, references herein to a PO shall as necessary be deemed to be references to that contract.

2. Conditions and acceptance of the PO: All orders are placed subject to the conditions set forth or referred to in this PO, which will apply notwithstanding and to the exclusion of any provisions to the contrary in the Supplier’s conditions of sale or otherwise.

Except otherwise established in any specific agreement with Buyer, Supplier is requested to sign and return a copy of this PO within 10 days after receipt. After a 10-day period with no response, or the commencement of the provision of the goods, Buyer understands that Supplier agrees to all of the terms hereof.

Electronic Acceptance: Buyer and Supplier will facilitate business transactions by electronically transmitting data to each other. Supplier accepts purchase orders and in case of an electronic “business to business” framework all Key Documentations produced by Buyer electronically and recognizes them valid without signature. Key Documentation includes, but is not limited to purchase order, change order, order acceptance, ASN (advanced shipment notice) invoice.

3. Fixed Price: The price stated in this PO is a fixed and complete price and will not be varied for any reason without the express consent in writing of the Buyer. The price includes all delivery expenses in terms of the Incoterm negotiated.

4. Invoice and payment: Invoices referencing Buyer’s PO number shall be issued by Supplier as of delivery. The invoice should show only the costs/expenditures that are included in the PO. All invoices including items not listed in the Purchase Order and invoices not following the Invoicing Requirements (attached in Annex I in this document) may result in the return of the invoice and delay in payment, payments arriving at Supplier’s bank account after the due date as a result of this will not be considered as late payments.

Invoicing and payment references should be stipulated on the PO or in any related contract. Payment does not constitute a waiver of any of the Buyer’s rights comprised in this order.

5. Packaging: Supplier warrants that the goods referred to in this PO will be correctly packaged and provided with the appropriate markings according to any applicable laws and regulations. The Buyer will pay no packing charge unless specified in this PO.

Goods that require special packaging or a particular way of handling must carry the appropriate markings on the packaging, allowing accident-free unloading to take place. The Supplier must also warn the Buyer of any precautions to take when unloading dangerous or radioactive products. For any goods that are defined as hazardous or dangerous under applicable law, regulation and/or ALUDIUM regulations/policies, Supplier will provide Buyer with hazardous warning and safe handling information in the form of a safety data sheet and appropriate labeling for such goods as required by such applicable law and/or ALUDIUM regulations/policies.

6. Delivery: Deliveries shall be made at Supplier's expense to Buyer's plant or as otherwise indicated. Receipt of the goods does not constitute final acceptance thereof. Delivery of services can be subject to the signature of the acceptance protocol/memorandum, as the case may be. The Buyer will have the right to return or reject non-satisfactory or non-required goods, with any resulting cost paid by Supplier.

7. Inspection: According to the Buyer's or the Buyer's customers referent quality assurance requirements applying within the supplier business, which might be listed within ALUDIUM POs and its annexes, the Buyer or its representatives, their customer and regulatory authorities will have the right at all reasonable times, upon advance notice, to have access to the applicable areas of all facilities, at any level of the supply chain, involved in the order and to all applicable records, such right of customers shall be valid upon authorisation by Buyer. They shall also have the right to inspect or test the goods comprised in this PO during or after manufacture and may reject the goods or require the Supplier to make conforming goods if the goods do not conform with this PO. Inspection by the Buyer or its representative will not relieve the Supplier of any liability in respect of any defect.

If no stricter requirement is defined in the applicable quality assurance requirements within the supplier business, the following condition of inspection applies: The Buyer or its representatives will have the right at all reasonable times, upon advance notice, to have access to the premises of the Supplier, its subcontractors or suppliers for the purpose of inspecting or testing the goods comprised in this PO during or after manufacture and may reject the goods or require the Supplier to make conforming goods if the goods do not conform with this PO. Inspection by the Buyer or its representative will not relieve the Supplier of any liability in respect of any defect.

8. Assignment: Supplier will not assign this PO, amounts payable by Buyer to Supplier or any of its rights or obligations hereunder without the prior consent in writing of the Buyer. The relations are *intuitu personae* and cannot be transferred without Buyer's express written agreement.

9. Subcontractors: Supplier shall not be entitled to subcontract any part of this PO without the express consent of the Buyer. Notwithstanding this authorisation, the Supplier shall continue to be directly liable vis-à-vis the Buyer with respect to his obligations and those that Supplier subcontracts to its subcontractor.

10. Independent Contractor: Supplier is an independent contractor and not an employee or agent of Buyer. Buyer shall not manage the execution of the PO by Supplier and Supplier will not manage the execution of the PO by Buyer. Supplier has no authority to direct or control the performance of any employee of Buyer. Supplier's role will be that of an adviser and not of master to any Buyer employee. Supplier does not have any Buyer title and Supplier is not eligible for Buyer benefits or employee plans.

11. Changes: Buyer may, at any time, by ten days prior notice in writing, make changes to the quantity of goods ordered (within a range of +/- 10%) as well as the date of delivery (within a range of one week). If any such change causes an increase or decrease in the cost of or time required for the performance at work under this PO, an equitable adjustment, subject to the approval of Buyer, will be made to the price or delivery schedule, or both, and this PO will

be modified in writing accordingly. Any other change will require agreement between the parties.

12. Liquidated Damages for delays clause: If the Supplier fails to deliver all or any of the goods comprised in this PO within the time specified in this PO, Buyer shall be entitled to liquidated damages payment of 1% of the PO price per day of delay with an upper limit of 10%, except that a different percentage is agreed and included in this PO. Notwithstanding the above, Buyer, at its option, may also decide to terminate the PO and/or claim for additional damages under the terms hereof.

13. Warranty: Supplier warrants that (a) the goods to be supplied to the Buyer hereunder will conform to the specifications, description and drawings, if any, and all agreed conditions set forth or referred to in this PO, (b) such goods will be free from defects in design, material and workmanship, (c) Supplier possesses the skills, professional ability, permits, licenses and certificates necessary to provide the goods, (d) the goods do not infringe any third party intellectual property rights and (e) Supplier declares the lawful origin of the delivered goods and warrants that it has good and full title to the Goods, free and clear of all security interests, liens, charges and other encumbrances.

For breach of any of the above warranties and in addition to all other remedies that the Buyer may have, Supplier, at its sole expense, will (a) replace the defective goods with conforming goods at Buyer's Plant where the goods were originally shipped. Only in case that replacement is not feasible within the timeframe required by Buyer or if it is otherwise required under country legislation, at Buyer's option Supplier will (b) repair the defective goods or (c) repay to Buyer the purchase price of the defective goods.

If Buyer selects repair or replacement, any defects will be remedied without cost to Buyer, including but not limited to, the costs of removal, repair and replacement of the defective goods, and reinstallation or delivery of new goods. All such defective goods that are so remedied will be equally warranted as stated above. Supplier further warrants that Supplier will convey good title to the goods to be supplied to Buyer hereunder and that such goods will be delivered free from any security interest, lien or encumbrance. Payment will not be claimed by Supplier as a waiver, release or acceptance to avoid fulfillment of the warranty clause.

Should the Supplier fail to remedy any defects or replace defective goods within the time specified by Buyer, the Buyer may order the repairing on his own. Supplier will pay for any resulting costs.

These warranties are in addition to all other warranties, express, implied or statutory, which may be applicable according to the PO. All warranties and other provisions of this paragraph will survive inspection or acceptance of and payment for the goods and completion, termination or cancellation of this PO.

14. Compliance with Law and Buyer's Internal Policies: In addition to the Warranty above, Supplier warrants that the PO will be performed in strict compliance with all applicable laws, rules, and standards including Environmental, Health and Safety regulations, and child labor

The Supplier will indemnify the Buyer against all liabilities, costs and penalties on account of the infringement by the Supplier or its representatives of any applicable law or regulation or Buyer's internal policies.

Supplier shall, at its own expense, obtain all the necessary permits, authorizations, licenses, certificates etc. required to perform this PO.

Supplier expressly undertakes to comply with EC Regulation 1907/2006 of the European Parliament and of the Council of 18 December 2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH). In particular, Supplier undertakes to fully register applicable substances on their own, in preparations or in articles, as defined in said Regulation, to the European Chemicals Agency as established by that Regulation. If Supplier breaches this obligation, it shall indemnify and keep Buyer harmless from any and all damage, cost, expense or liability which Buyer could incur as a consequence of that breach. The Supplier shall provide evidence from time to time of the aforesaid insurance cover and validity thereof, and that it is up to date with payment of the corresponding premium at the date of entering into this PO and any time thereafter.

The insurance requirements in this clause are separate and distinct from any other obligations of Supplier contained herein, and neither the issuance of any insurance policy nor the minimum limits if specified herein will be deemed to limit or restrict in any way Supplier's liability arising under this PO.

17. Breach: In the event that delivery of all or any of the goods comprised in this PO is not effected within the time specified in this PO, which will be deemed to be of the essence, or in the event of any other breach or non-observance by the Supplier of any other terms of this PO, the Buyer will have the right to terminate this PO within the shortest possible time in whole or in part by providing written notice, in accordance with the applicable legislation, without

The price of such unfinished goods shall be based on the actual out-of-pocket costs and expenses incurred prior to termination provided that the amount to be paid will in no event exceed the total price set out in this PO. Supplier will deliver to the Buyer all such unfinished goods. Nothing herein contained will affect the Buyer's right to cancel this PO under any of the terms of this PO or of these conditions or to pursue other remedies available to the Buyer.

19. Limitation of Liability: Buyer shall in no case be liable to Supplier for loss of use of any works, loss of profit, loss of business, loss of any contract or for any indirect, special or consequential loss or damage which may be suffered by Supplier in connection with the contract.
